

**Bowling Green – Warren County
Metropolitan Planning Organization**

Transportation Improvement Program (TIP)

FY 2016 - 2020

Administrative Modification #2017.02

ACTION:

The Bowling Green-Warren County Metropolitan Planning Organization (MPO) hereby modifies the FY 2016 - 2020 Transportation Improvement Program (TIP) to add the project described below: Intersection improvement at US 231 and Three Springs Road/Ken Bale Boulevard.

PROJECT ID: 2017-20

ITEM #: 3-8702.10

DESCRIPTION: Provide construction funds for intersection improvements at US 231 and Three Springs Road/Ken Bale Boulevard.

SCOPE OF WORK: Paving, striping, and median removal

PHASE: Construction

TYPE OF FUND: Federal STP

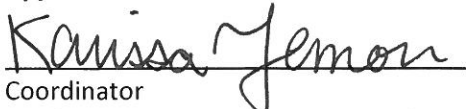

FY: 2017

AMOUNT: \$200,000

Other Information: This TIP Modification breaks out the above described intersection improvement from project 2016-10 (Widen and expand US 231 from Lovers Lane to Three Springs Road) as shown in Appendix A - Informational Supplement of the current 2016 - 2020 Transportation Improvement Program. Intersection Improvements for Safety or Efficiency is a project type identified in the Grouped Projects Table of the 2016 - 2020 MPO Transportation Improvement Program (TIP), therefore a formal TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP and MTP by Administrative Modification. TIP actions for these projects will not require additional public review. The identification of specific projects from the Grouped Projects Table involves a commitment of additional funding for the project by the project sponsor (KYTC). This additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The modified 2016 - 2020 tables are included on the following pages.
