### Share The Road Tips For BICYCLISTS

- Obey all traffic rules
- Always wear a helmet
- Ride with traffic – never ride against traffic
- Be predictable and make eye contact with drivers to be sure you are seen
- Wear bright clothing + Use front and rear lights
- Use proper hand signals when turning, stopping or changing lanes
- Don't ride distracted – put your mobile devices away while riding!
- Know the dangers of sidewalk riding. Bicycling on sidewalks is not safe for other sidewalk users or motorists using driveways and alleys
