**FY 2019-24 Transportation Improvement Program (TIP)  
Amendment #01**

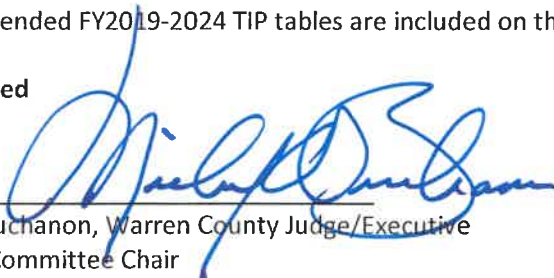

**ACTION:**

The Bowling Green-Warren County Metropolitan Planning Organization (MPO) hereby amends the FY 2019-2024 Transportation Improvement Program (TIP) to reflect project phases and funding from the Enacted 2020 Kentucky Highway Plan in the biennium and beyond. This amendment moves a project from the Informational Supplement portion of the TIP to the Federally Funded portion, adds new projects to the Federally Funded portion, and adjusts project information to comply with the Highway Plan. The funding revisions related to these amended projects are highlighted in the tables and information provided on the following pages.

Other Information: This TIP Amendment amends projects and funding levels listed in Table 2 (*Summary of Funding*), Table 4 (*Federally Funded Projects*), Table 9 (*Projects Contributing to the Achievement of Highway Performance Targets*), and Table 13 (*Informational Supplement*) of the FY2019-2024 TIP. The changes in this Amendment reference projects listed in the 2045 Metropolitan Transportation Plan (MTP), Table 6.1 (*Short-Range Transportation Projects*) and Table 6.4 (*Grouped Projects*), and therefore maintains consistency between the MTP and TIP documents. Additional funding beyond that previously identified in the TIP, has been committed to these projects by the Federal Highway Administration and the Kentucky Transportation Cabinet. This funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The amended FY2019-2024 TIP tables are included on the following pages.

**FOR IMMEDIATE RELEASE**

**PUBLIC NOTICE**

**BOWLING GREEN-WARREN COUNTY METROPOLITAN PLANNING  
ORGANIZATION SEEKING PUBLIC INPUT ON AMENDMENT TO TRANSPORTATION  
IMPROVEMENT PROGRAM**

**Bowling Green, KY (Sept. 10, 2020):** The Bowling Green-Warren County Metropolitan Planning Organization (MPO) is soliciting public and stakeholder input and comments regarding an Amendment to the 2019-2024 Transportation Improvement Program (TIP) during the mandatory 15-day review period, from September 10, 2020 through September 25, 2020.

The TIP is a financially constrained document listing federally funded and regionally significant transportation projects (roadways, pedestrian facilities, and transit facilities) for the Bowling Green-Warren County MPO area. This Amendment to the 2019-2024 TIP will reflect additions and updates to project phases and funding from the Enacted 2020 Kentucky Highway Plan in the biennium and beyond. This amendment moves projects from the Informational Supplement portion of the TIP to the Federally Funded portion and adds new projects under each section (Federally Funded and Informational Supplement). Please use the link below to view this TIP Amendment on the MPO's website (or visit [www.warrenpc.org/mpo/documents](http://www.warrenpc.org/mpo/documents) to access the link):
