

Metropolitan Planning Organization

Fiscal Year 2024 ANNUAL LISTING OF OBLIGATED PROJECTS

**922 State Street, Suite 200
Bowling Green, KY 42101 | 270.842.1953
www.bigareampo.org**

The preparation of this document was financed cooperatively by the Federal Highway Administration and the Federal Transit Administration of the United States Department of Transportation, the Kentucky Transportation Cabinet, and local units of government within the MPO. The opinions, findings and conclusions expressed in this document are those of the author and are not necessarily those of the United States Department of Transportation. This report does not constitute a standard, specification or regulation.

Federal transportation planning regulations require that all Metropolitan Planning Organizations (MPO) prepare an annual listing of projects for which Federal funds have been obligated in the preceding year. The Annual List of Obligated Projects shall be published or otherwise made available by the cooperative effort of the State, transit operator, and MPO. The listing shall be consistent with the funding categories identified in each metropolitan Transportation Improvement Program (TIP).

The tables that follow provide information on transportation projects that were obligated for spending using federal funds in fiscal year 2024 for the Bowling Green-Warren County MPO area. The obligated amount represents the Federal government's financial commitment to fund the federal share of a project's cost. An obligated project has been authorized by a federal agency. Obligated funding does not infer a project's complete cost or completion, but rather that the specific project has committed federal funds. For informational purposes, obligated state funded transportation projects are also included in this report.

The information provided in this document is consistent with how projects are listed in the Bowling Green-Warren County TIP – projects are shown with a project item number, route identification, project description, project phase, and funding amounts. Federal funding sources are also included for each obligated project listed in this document.

Bowling Green-Warren County MPO
FY 2024 Federal-Aid Obligations

County	Item Number	Route	Project Scope	Phase	Funding Type	FY24 Amount (\$)	TIP Phase Amount (\$)	Remainder to be Obligated (includes all phases)
